Fw Dallas

10/3/69

Dear Paul,

A British correspondent calls my attention to Ex 2934 and, not knowing the chaos built into the files, suggests a check of all Dallas FBI interviews for that date (12/7/34) might disclose the identity of the young man with such a striking resemblance to Oswald.

I do not know whether any of you have looked into it, but pass it along anyway, in the event it is something you have forgotten or might be interested in.

Sincerely,
